Hon. Wynona M. Lipman, Senator
50 Park Place, Suite A
Newark, New Jersey 07102

Dear Senator Lipman:

Senate Bill 1430 is under consideration as I understand it. This bill concerns itself with the Tuition Aid Grant Program (T.A.G.) which provides financial aid assistance to New Jersey residents and particularly Essex County college students.

S-1430 is slated to continue to alleviate the severe economic burden of the cost of higher education in Essex County and around the State.

In view of the recent developments at Essex County College and the cries of students at our State colleges and universities, the need for passage of S-1430 becomes more important.

I believe that passage of S-1430 is very important to continued quality higher education in Essex County and New Jersey. I ask that you consider S-1430 favorably in your deliberations.

Very truly yours,

Daniel L. Tindall, III
Freeholder
